D G C D  
Every tribe, every tongue, every nation, everyone

D G C D  
It's time to praise the Lord

D G C D  
Everybody everywhere throw your hands up in the air

D G C D  
It's time to praise the Lord

D G  
I've been thinkin' about the way You move in my life

C D  
Thinkin' about the way You cut like a knife through my heart

D G C D  
Takin' away the pain of memories, things that haunt me, things that condemn me

D G C D  
In their place You put such a joy, joy that makes me shout like a little boy

D G C D  
Jumping up and down on my Father's bed, y'all, all right

D G C D  
I was lost, but now I'm found, You turned my face to a smile from a frown

D G C D  
You hit me out of nowhere, You showed me that You really do care for me

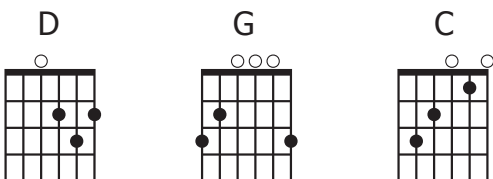

D G C D  
When You gave Your life on that tree, You raised me up and You set me free

D G C D  
Now I know the Lord's been good to me

D G C D D G C D  
Get up, everybody get up! It's time to praise the Lord (for what He's done for us)
