

GET UP

CASEY CORUM

Every tribe, every tongue, every nation, everyone

It's time to praise the Lord

Everybody everywhere throw your hands up in the air

It's time to praise the Lord

I've been thinkin' about the way You move in my life

Thinkin' about the way

You cut like a knife through my heart

Takin' away the pain of memories

Things that haunt me, things that condemn me

In their place You put such a joy

Joy that makes me shout like a little boy

Jumping up and down

On my Father's bed, y'all, all right

I was lost, but now I'm found

You turned my face to a smile from a frown

You hit me out of nowhere

You showed me that You really do care for me

When You gave Your life on that tree

You raised me up and You set me free

Now I know the Lord's been good to me

Get up, everybody get up!

It's time to praise the Lord (for what He's done for us)

Get up, everybody get up!

It's time to praise the Lord

GET UP

CASEY CORUM

**This is the place where we take a little ride
Take a little ride from here to the dark side
That's where You found me, put Your arms around me
Pastor held me down so long, almost drowned me
But hey! Up from the water I came
You gave me a new heart
You gave me a new name
Then You gave me somethin' real to believe in
All right
Now I will lift up Your Name, will not be put to shame
Soon I will be the same as the Glorious One
You took a notorious one, made him a glorious son
Now that my story is done, I want you to...**

**Get up! Get up! Get into it
I know you wanna dance, I know you wanna do it
So great a salvation cannot be ignored
Everybody, let's praise the Lord**

**Get up, everybody get up!
It's time to praise the Lord (for what He's done for us)
Get up, everybody get up!
It's time to praise the Lord**
