

THE MIGHTY RIVER

DAVE CHUMCHAL

**Let the mighty river come and take me away
Let the mighty river come and take me away
Let the mighty river come and take me away
To wherever You desire**

**And as I step deeper
Out in the flow of the water
I learn to trust in You more
So let the river overwhelm me
And pick me up right off my feet
And it's spinning around
As love surrounds me
All I can do is sing**

**Let the mighty river come and take me away
Let the mighty river come and take me away
Let the mighty river come and take me away
To wherever You desire
To wherever You desire
To wherever You desire**
